The South Yuba River Citizens League is holding an open house of sorts, inviting the public to learn what they are about, and the programs they offer. They will also have a panel discussion featuring people who Pokrandt says were on the 'front lines' when the South Yuba gained Wild and Scenic status 16 years ago. They'll also honor their Partner of the Year, the Tahoe Donner Land Trust, and their Volunteer of the Year...

They are also recruiting volunteers for their River Ambassador program. The event is tomorrow night at Peace Lutheran Church. Their open house starts at 5:30, and the program begins at 6:30, with some time for socializing afterwards. There will be pizza and soda, beer, and wine available for purchase.
